PRESS RELEASE

May 2016

WTI ANNOUNCES KEY EXECUTIVE CHANGES

WTI, a leader in functional food ingredients, promoted Stephan Georg to Chief Executive Officer. Stephan has been with WTI for 10 years and most recently served as Chief Operating Officer. He succeeds company owner and founder, Wolfgang Ludwig, who is assuming the role of President and Chairman of the Board. “WTI has been experiencing explosive growth and this change will continue our momentum by allowing me to focus on corporate strategy for our lasting success,” states Wolfgang.

As CEO, Stephan will offer company-wide leadership, management, and vision, as he continues to strengthen the goals of WTI and commitment to its customers. He looks forward to the continued success and growth of WTI and says “The customer always comes first. WTI will continually deliver superior products, unparalleled support, and lead the way in innovation so our customers have the tools they need to succeed.”

ABOUT WTI

For over 35 years, WTI has led and continues to be the most trusted and innovative ingredients source in the business. WTI produces functional ingredients, including clean label and all-natural antimicrobials, that help processors improve their products by inhibiting pathogens, extending shelf-life, reducing sodium content, enhancing product flavor & texture, maintaining yields, and improving product quality.
